

Opal newsletter 3

Our first parent play session was a great success and they had such fun with the children. We look forward to many more in the future.

We have introduced scooters, new mud kitchens, chinks, conkers and tins for making music this month. It is wonderful to see the creative and imaginative games that the children create from these resources.

Wellies

Well done to those that have brought in wellies to school to wear outdoors. This is to enable the children to explore all areas of outdoors with suitable footwear and then change into school shoes for indoors.

Please send in a pair of wellies or outdoor shoes and also any donations are very welcome so all children have access to spare wellies, thank you.
