

Opal newsletter 2

We are so excited about how our play opportunities for the children have evolved. It is lovely to see the mix of ages playing together.

This month we have introduced the music and bubble machine for dancing and movement. We have loved giant chalks and created the chalk mile across the playground! Conkers have been a seasonal addition, racing them down pipes and making music with old tin cans!

Play zones

- Small world
- Home/role play
- Water play
- Sand play
- Large parts
- Creative play
- Quiet area
- Music play
- Construction
- Woodland area/Mud play
- Bikes/scooters

Donations

We are looking for the following:

- **Balance bikes**
- **Scooters**
- **Buggy/strollers (Full size)**
- **Pots & pans!**

Wellies!

We would like all children to have wellies or outdoor shoes at school to be worn outdoors so they don't ruin their school shoes.

Please **ensure the wellies are name labelled** and they will remain at school each half term.

Please also donate any out grown wellies so we can provide for all children.

Parent play sessions

Thursday 24th October

12-1pm

Come and join in the fun and play!

Please book a place by contacting the school office. You can book a school lunch if you wish and we ask for you to bring with you a donated item for Opal.

Future projects

Watch this space as coming soon to the playground:

- A giant sandpit
- Mud kitchens made from pallets
- A painted road for riding scooters
